Re: Participant Alexander Wasil

Dear Mr. Wasil:

Please be advised this office represents the Plumbing and Pipefitting Industry Local 219 Annuity Fund ("Annuity Fund"), the Plumbing and Pipefitting Industry Local 219 Pension Fund ("Pension Fund") and the Plumbers and Pipefitters Local 219 Health and Welfare Fund ("Welfare Fund"), (collectively, "Trust Funds"). Please accept this letter as a response to your request for information regarding benefits that may be owed to the estate of Mr. Alexander Wasil, a former participant of the Trust Funds.

Please be advised that Fund Office records show the following:

- At the time of his death, Mr. Alexander Wasil did not have an account with the Annuity Plan. Accordingly, there is no Annuity benefit that is available for distribution.

- At the time of his death, Mr. Alexander Wasil was not covered under the Welfare Plan. Accordingly, there is no Welfare benefit that is available for distribution.

- At the time of his death, Mr. Alexander Wasil was receiving a Qualified 100% Joint & Survivor Annuity.

  Section 8.3(c) of the Plan provides that a "[a] Participant who receives payment of his retirement benefits under the Joint and Survivor Form shall receive retirement death benefit payments during his life, with the provision that the Participant may choose that, after his death, 100%, 75% or 66 2/3% of his monthly benefit shall be paid to his beneficiary. Section 8.4(A)(6) of the Plan provides, in relevant part, that if any participant is receiving retirement benefits and his Spouse or Beneficiary dies after his/her Benefit Commencement Date, but prior to the death of the Participant, the Participant may not designate a successor Beneficiary and no payment of retirement benefits shall be made after the subsequent death of the Participant. I have enclosed a copy of the Pension Plan Document for your review.

  Fund Office records show that Mr. Alexander Wasil elected the Qualified 100% Joint & Survivor Annuity at the time of his retirement and designated his wife, Dorothy Wasil, as his primary beneficiary. Fund Office records also show that Ms. Dorothy Wasil predeceased Mr.

Alexander Wasil. As a result, when Mr. Alexander Wasil died, his pension benefits terminated. Accordingly, there are no Pension benefits available for distribution.
